

A Little Faith

A little faith and a ray of light,
Everything falls in sight,
Faith in God helps us through,
In getting all possible and new,
Faith gives the power of strength,
It gives the power to pray,
Faith makes the world peaceful,
It gives the power to say!
Power of faith is such!

Our country and leaders, healthcare workers, suppliers, transportation workers and carriers, and all essential personnel

Our deepest thanks for the many ways you have expressed sympathy since Jerry's passing. Your support during this sad time is heart-warming. The family looks forward to a time when we can gather for a memorial service at Little Swatara Church of the Brethren.

Message from Londonderry Village

Dear Friends of Londonderry Village,

We are once again asking for hand sewn masks to be sent to our campus. Since we are now supplying masks to our Independent Living residents our current supply has dramatically been challenged. And, we are discovering that the original supply of masks sent to us are showing significant signs of wear and tear, due to daily hot water washing.

Please spread the word that we are accepting donations of home-made face masks in order to keep our staff and residents safe.

The CDC approved pattern is attached. Please pre-wash materials in HOT water prior to creating the masks.

Please box them and mail them to:

Peace to you,

Mary Eller

Note: Instructions for making face masks are on the Little Swatara COB website..... Littleswatara.org

All Fellowship Drive Through Dinner!!

It's official! Bob and Wendy would like our All Fellowship Dinner meals out of their freezer, so we've decided to take a tip from restaurants and do curbside delivery!!

On **Sunday, June 7th from 12:00-1:00pm**, you can pick up your All Fellowship Dinner in the lower parking lot, without leaving your car. You can even socialize, and see other members of the congregation - provided you remain in your vehicle, and observe physical distancing standards. The meal will be prepared by small group of our crack kitchen squad, following all restaurant grade food safety and cleanliness standards. You will drive through the car port and never have to even leave your vehicle.

The Menu is Chicken cordon bleu; potato filling, green beans, pepper cabbage and roll. Dessert has not yet been determined (Cookies, and cupcakes have been discussed)

There is, unfortunately, not an alternate meal menu for people with dietary restrictions

So that we know how many meals to prepare, please signup by June 1st for meal service at:
