## THANK YOU

To Our Church Family,

Phil and I want to express our appreciation for all of the support we received before, during and after my knee replacement. Thank you for the calls, cards, visits, meals, rides and prayers. Those prayers have made my experience so much better than my past surgeries. Every day we thank God for giving us church family. We couldn't do life without you all. What a blessing we all share.

**Phil and Barb Gustafson**
