We are thrilled to have 16 Living Waters students heading to Chicago on a summer mission trip. There they will be serving alongside ministries in the city. We need your help.

Beginning this month, you'll be hearing from our youth in their main fundraiser, "stock sales." We encourage you to buy one, five, or ten shares of stock (at \$20 each). Each share directly supports our youth trip, and each shareholder will be invited to our end-of-summer banquet to hear all about the event you've invested in. Thank you for taking stock in our youth.

Don't want to wait? Buy a share today in the lobby. Youth are sitting at one of the tables.
