Description: **We run a facility in the northern part of Chapel Hill, on Sunrise Road. It's a center for collaboration and creativity in ministry. We currently have 3 churches in addition to Love Chapel Hill who use the space. We're looking to grow the number of groups using it through the week, during the day. In order to do that, we need someone well equipped to look after the facility and assist with any event setup needs. Are you able to help?**
