THETALK

GEAUX SROW

"Hey everyone!

The SROW application process has begun and Brandon and I could not be any more excited. The past few months of planning have flown by and I now understand when Marty McFly (kind of) said "When this baby hits 88 mph, you're going to see some serious SROW." Here are just a few reminders for those of you who are about to undergo the application process. The Application is due in the Moodle dropbox tonight at 11:55 p.m. Be sure to sign up for an interview after making your submission. SROW is such an amazing opportunity that truly enhanced my Ambassador experience. I wish you all the best of luck during the application process." #GeauxSROW

What AMB Means to Me

"AMB gives me the motivation to live my life with a purpose in leading others to reach their goals. Being an LSU Ambassador means having a fAMBily as a support system, where we can prosper and challenge one another to success. As an organization, we are given the opportunity to lead our school and community with pride. Having these experiences truly showcases the meaning of friendships, diversity and selfgrowth. And for this, I will forever be thankful."

Spotlight AMB

"Seth Madden. Seth is one of the sweetest people I've ever been proud to call a friend and partner of mine. He is constantly supporting others around him and making them feel so welcome in everything they do. I've worked with him on Membership committee and he remained professional throughout, yet always kept a smile on his face. At AMX, his party pal really seemed to be enjoying himself! He's also a #FitnessInspiration. Geaux Seth!"

What a BIG Surprise

"Buddy Reveal was a night full of surprises! The associates gathered in Allen thinking that they were preparing for another information meeting, but little did they know the night was full of surprises. What the associates thought would be a training activity find turned into an evening of gift finding. At the end of the find was not only their gifts, but also their big buddy. Cohesion hopes everyone takes the time to get to know their buddy. A big buddy is there to guide you through the process of becoming an ambassador. If you ever have any questions or you just need someone to talk to your buddy is there. A big buddy is not only a listening ear, but a voice of reason. We are so excited to see the bonds that will form within your own buddy family this year!"
