Our staff tries to provide the best possible preschool experience for each child. You can help us to evaluate how we are doing by completing this form and returning it to your child's teacher as soon as possible. Please feel free to attach additional comments if you wish. You do not need to sign your name, unless you would like a personal response to any concerns you may have. It will be especially helpful if you are able to give a specific suggestion for improvement for any item marked "3" or lower.

Please rate each item on a scale of 1 - 5 with 5 being *the best* and 1 being *the worst*. Put a check under your choice. Consider first your child's reaction to the program and then, secondly, your own reaction.

Thank you for your input and for your support throughout the year.

My child was enrolled in the 1/2 day 3/4 day Full Day program

and was in: Blue Red Yellow Class
