mh *Reminders*

- ❖ To all members and guests, this is a reminder that our lower level is used as an overflow area during our worship service. If you are a worshiper in the lower level, please be respectful of others just as you would be in the sanctuary.
- ❖ For those who need to use the Café area to calm a restless child or visit the restroom, please use the exit doors at the rear of the Sanctuary. Our goal is to improve each worship experience for all. **Thank you.**
- ❖ Dear Members and Guests, please follow the direction of our Ushers as we try to seat worshipers towards the front of the church as they arrive. This provides room in the rear for those who may arrive late. It also minimizes distractions when Pastor Stowers or a Minister is preaching. Thank you for helping us to **"Make Our Worshiping Experience Better!"**
- ❖ If you are double parked or blocking another vehicle's exit, please do not delay in moving your vehicle immediately after service.
Thank you for your cooperation.
