

*Many individual MMACC members have personal "green" practices and lifestyles.
We work towards reconnecting with the earth and its resources
also as a community entity.*

ENVIRONMENTAL GUIDELINES FOR MMACC

*This list is evolving.
It is an intentional and important beginning.*

- Print two-sided on MMACC related documents
- Reuse and recycle worship material
- Use recycled paper for copying
- Use eco-font when printing
- Use durable (reusable) and/or biodegradable ware at social engagements
- Use web-site and emails for communications to cut down paper trail, including the weekly bulletin and meeting minutes
- Avoid purchasing disposable plastics
- Purchase Fair Trade products where possible for MMACC celebrations
- Buy local produce for MMACC celebrations
- Offer tips on living "green" to the community in liturgy, in the bulletin, and through the educational events
- Use seasonal, planted or plantable arrangements for Liturgy
- Please suggest more ways we can both reduce our carbon footprint and care better for the earth.
