

NEW MEMBER WELCOME

The members of the Mary Magdalene Apostle Catholic Community (MMACC) would like to officially welcome you to our community! We have all been where you are at today - brand new to this wonderful community and wondering where to begin. We **all** had questions about: the origins of the community, how the community was organized, the community's vision/mission and priorities, the best ways to meet people and how to get involved. In order to begin answering some of your questions, we are encouraging you to carefully review the MMACC website at www.MMACC.org.

This community brings together people from all different backgrounds and from all over the San Diego area. Thanks to you, we will grow as a community in talent, richness and diversity. We are so very glad to have you join us. We would also like to offer to introduce you to a community member who could act as a "mentor" to you to answer your questions, introduce you to the Pastoral Team and to community members, and explain ways to get more involved with the community. Please let us know if there is additional information you need!

And from our Pastoral Team...

Dear New Member and Friend,

Welcome to the Mary Magdalene Apostle Catholic Community!

Know that we receive you into our community as a gift. We welcome you as you are, with your special gifts and talents. We welcome your individual spirituality and look forward to sharing our spirituality with you.

At MMACC, we share a common vision, a new way to be Roman Catholic in a fully participatory, democratically governed community. This vision has helped us create a parish home.

Arriving is just the beginning. Know that we will love you, support you, pray for you, and pray with you as we journey together.

The Spirit has led us to one another, chosen this point in time to bring us together to share our spiritual journeys. That is exciting! We look forward to getting to know you.

We come together in love to serve one another, the wider San Diego community, and the Church in the world, striving to make Catholicism relevant while living the change we envision.

You may call upon us at any time.

-Jane Via, Rod Stephens, and Nancy Corran
