Never Too Nothing

Text: Acts 2:17-21

Eight Key Values or Intentions: To implement these ideals into your life and use them as the foundation for all you do -- your work, your goals, your relationships, your service to others. Review:

In week one, we saw that Peter summarized the life of Jesus in one phrase: he went around doing g_____.

In week two, we saw the power of u_____, and the importance of creating common ground with others.

In week three we talked about how to master the Christian I_____. You do it by never letting go of the basics.

In week four we talked about how Jesus must be at the c_____ of all we do.

In week five we talked about the importance of e_____, which is not like a high-pressure sales pitch but more like a conversation between friends.

In week six we talked about life without b_____ -- which we put no limitations on what we are willing to do for God and what we are willing for God to do through us.

In week seven we talked about experiencing God's p_____. Without God's power, life tends to unravel. With God's power, life becomes an adventure. Ref: Acts 1:4

The Last Days Began At Pentecost That Day! We Are L_____ In the L_____D_____! Ref: Acts 2:38, 40

There is no limit to what God can do through you.

God is not the God of only the elite. God is the God of e_____. Everyone has a part and a place in his kingdom.

When it comes to being used by God, you're never too nothing -- if you are only w_____ for him to work through you.

Excuses we use to place limits on ourselves, and even in some cases, to place limits on others.

1. The first limitation is g_____.

God is saying, through the prophet Joel and the Apostle Peter, that all people are created equal, and that all people have a p_____ and a r_____ to play in the k_____ of God.

Our God places a much higher value on what you a_____ do, as opposed to what others merely say about you.

2. The second limitation is a_____.

3. The third limitation is r_____. Ref: Gal.3:28

4. The fourth limitation is c_____.

God doesn't see what you don't have. He only sees what you can be.

5. The fifth (and perhaps greatest) limitation is the p_____. No matter what your life has been like before, God has the power to turn around. Ref: Acts 2:21

When he says you will be saved he's not just talking about your ticket to heaven, he's talking about your j_____ to h_____. And he will get you there.
