

## MCCONNELLSBURG UNITED PRESBYTERIAN CHURCH

SOUTH SECOND AND MAPLE STREETS • MCCONNELLSBURG, PA

---

### POSITION DESCRIPTION

McConnellsburg United Presbyterian Church seeks a solo pastor who passionately shares our desire to spread the good news of our Lord and Savior. We count ourselves blessed to live in a beautiful valley where many appreciate the handiwork of God's creation. We search for a pastor who is spiritually motivating and lives his/her life for the Lord, who will nurture persons along their spiritual journey and who has energy to work alongside the many gifted members who share leadership in our congregation. The pastor's creative vision will help us to generate interest in all age groups and become active participants in our community and the outside broader community as well. We seek a pastor who will help us to maximize our potential with challenging and inspirational messages. A pastor with a sense of humor so that we can at times, laugh at ourselves! At the same time, a pastor that understands the needs of the aging, the shut-ins and the importance of home visitation.

We invite our future pastor to walk with us, hand in hand, sharing his/her gifts with us. We seek a pastor who will enjoy living in a beautiful, loving, rural community, while close enough to major cities such as Washington DC (only 1 1/2 hr. drive from here). We have a Manse available for consideration. Our MIF #07342.AD1 is posted on the PCUSA Church Leadership Connection
