### Pastor's Bible Study

There's a word that describes one of the most important, useful, and relevant principles you can ever apply to your life. This word can be applied to every

decision you will ever make. When you apply this word to the decisions in your life, you will usually have a clear answer in almost no time. This word has a way of piercing through the fog of uncertainty, allowing you to face the present and future with confidence. This word holds the key to living a life pleasing to God.

*The word is: Wisdom*

Join Pastor Kevin on Wednesday nights in this study of Proverbs.

### MBC 101

Checking out a church brings with it a number of questions. Who are these people? What are they about? What do they value and believe? How can I get connected? What do they have for my kids? What's with their pastor? These are good questions! If you're new to Memorial and want to understand more about who we are and how to connect, I'd love to invite you to MBC 101.

At MBC 101, our Pastor, Dr. Kevin D. Glenn will talk about who we are, what we're about, and the next steps for you to get connected. You'll be able to ask questions and meet others new to Memorial. It's a very relaxed setting and childcare is available.

MBC 101 will be offered the first and second Sunday of each month at 9:45 am in room B202 (conference room). There will be signs posted and greeters available to help you.

**Our next MBC 101 is Sunday, November 2. Hope to see you there.**

iDENTITY meets every Wednesday night from 5:30-7pm [C103]. iDENTITY is for students from 6th-12th grade and is a time to help teenagers to discover who they are in God. Each week you can expect messages written just for teenagers. We have games for those who love running around and getting sweaty and for those who just want to sit with others and chat. Food is provided for \$3.00 per person and this year we've changed up the menu so we will feature a wider variety of food each week ranging from pizza to subs to chicken fingers. This is one of the best weekly things we do as a student ministry, don't miss out on this great way to build relationships with other teenagers and with God.

Current teaching series at iDENTITY: Playing With Fire

Ever heard the phrase, "They were burning with anger"? That's actually very descriptive to what anger actually does. When

we allow our anger to overcome us, we're playing with fire. Our anger usually comes as a reaction to a person or situation, but does being angry really help us get redemption for what has already been done? Can what's been done ever be undone? Come learn more at iDENTITY on Wednesday nights.

Communities is a group time designed to help students take the next step in their walk with God and one another. This year we are looking at "The Gospel Primer." This is a daily journal that helps us take steps to allow the gospel to change everything about our day-to-day lives. We meet in MBC member's homes every other Tuesday night from 6:30-8pm. Below is the host home schedule:

10.14: Elmore (610 Laurel Dr.)  
10.28: Wayland (5500 W. Bittergreen Ln.)  
11.11: Sparkes (5606 Majestic Circle)

COLLEGE MINISTRY

College Bible Study Snack Volunteers

The college Bible Study class is looking for volunteers for a snack schedule. We're looking for at least four families that are willing to provide food as part of a regular rotation so that we can make the Sunday School class more welcoming to new college students. If you are interested in volunteering, talk to Anthony Ochoa in person or email him at [anthony@memorialbaptist.org](mailto:anthony@memorialbaptist.org)
