## MEETING TIMES & LOCATIONS

A Connect group trimester runs for three months (give or take) – generally running Jan-Apr; May-Aug; and Sep-Dec. So, the first trimester of the year runs approximately January through April, and so forth.

A Connect group could meet as infrequently as monthly (three times) or as often as weekly (about twelve times). The K-group doesn't have to meet at the same time each week, nor in the same location. But to promote it, we need to know when and where each meeting takes place, so people know exactly what they are committing to.

Below, you can list up to twelve possible meeting times and locations. Use only as many as you need.

Please List:    Date - Start time and estimated end time (if there is one) - and location (include a description and address)

Ex. January 17 - 7:00 PM to 8:30 PM - John Smith's house at 100 West St., Green Bay

October 2 - 9AM until ? – Green Meadows Golf Club at 1000 Fairway Dr, De Pere
