

# CERAMIC METAL HALIDE

## FEATURES & BENEFITS

The Superior Life® CMH lamp is an efficient way to light sockets once traditionally reserved for incandescent and halogen PARs, providing the ultimate light source for applications where color and efficiency are most important. Our CMH lamps promise to be 3x more efficient than halogen PAR lamps and offer a lamp life of more than 4x longer than standard incandescent PARs.

- Excellent Critical Color Rendering
- Constant Color over the Life of the Lamp
- Uniform Lamp-to-Lamp Color
- Ultra-Efficient Energy Usage

**USAGE:** Display Lighting, Down Lighting, Industrial, Retail, Outdoor, Restaurant
