Training Minds - Touching Hearts

"Train up a child in the way he should go, and when he is old, he will not depart from it."

Proverbs 22:6

April 2013

Dear Friends and Families:

We are coming to the end of another successful school year. We appreciate all you have done for us. Parents, family and friends are all a part of our MCS family. It is because of your dedication and time that we have had a wonderful year.

Our students have excelled in many areas and have represented MCS in many outstanding ways. Each year we show our appreciation for the great job they have done through our awards ceremonies. As you know, many of our families and our corporate sponsors like to partner with us in providing the end of the year awards for our students. Some of the families like to give through their company, if self-employed.

All sponsors of the awards are listed on the various awards programs. Corporate sponsors are also listed in the Senior graduation bulletin. In the event that gifts exceed costs of the certificates, trophies, awards, etc. the remainder would revert to the general fund to help the entire student body.

Thank you in advance for helping us to honor our students by providing an award to honor their achievements.

Sincerely,

Lorena Morrison, Ed.D.
