The Wonder of Herbs: Environmentally Safe Cleaning Products

The Lord calls upon each of us to be good stewards of the environment that He has provided for our use. The United Methodist Women are exploring methods that will allow each of us to leave a smaller footprint on the earth. One of the ways to do that is to stop using toxic products to clean and freshen your home. Making your own cleaning products is easy, cost effective and environmentally friendly. Join us for our community education program on November 13th at 6:00 pm in the Fellowship Hall to learn how to make environmentally safe cleaning products using some basic household ingredients and herbs.

Dinner will be served. For more information and to make a reservation, please call Debbie Boutelier at 365-7806.

Prime Timers will meet November 6th at 10:30 am in the Fellowship Hall. The guest speaker this month will be Rev. Jerry May. A covered dish luncheon to follow. All are welcome to join in the fun and Fellowship!!

*Our Father, who art in heaven, hallowed be thy name.
Thy kingdom come, thy will be done on earth as it is in heaven.
Give us this day our daily bread. And forgive us our trespasses,
as we forgive those who trespass against us.
Lead us not into temptation, but deliver us from evil.
For thine is the kingdom, the power, and the glory, forever.
Amen.*
