### Greetings,

It seems like just a few days ago we were getting the October Newsletter ready, but here we are at the beginning of November. This month we celebrate two great holidays. The 11th is Veterans Day, a day we honor the men and women who have and still do give their lives so that we may have and live in the greatest country this side of heaven. On average 22 veterans take their own lives everyday, not able to deal with the scars of the past. These are the people that fought for you and I to have the freedom we have everyday. I encourage you to take time to pray for all our Veterans and their families.

Then, of course, this month we celebrate Thanksgiving Day. Days of cooking and cleaning, waiting on family to arrive so that we can enjoy one another's company and catch up on all that is going on in our very busy lives. For some the tradition may be to watch the parades, others it's a day of football games. This Thanksgiving as you sit with family and friends, I encourage you to take time to be thankful. Maybe even try something new; ask each family member to tell one thing they're thankful for. Always be reminded that these days we celebrate would not be possible if it wasn't for, first and foremost, our Heavenly Father and the American soldier. Something to think about. Only two defining forces have ever offered to die for you, Jesus Christ and the Veteran. One died for your soul and the other for your freedom.

God Bless, Pastor Tim and family

We pray God's richest blessings for you and your family. We love and appreciate each one of you, as you have become part of our family also. This month marks two years that we became part of Millville Avenue and you became part of our family. Just like many families we have had joyous memories, but some of them have been sorrowful. We want to take this time to remember our family members who have gone on to their heavenly resting places. Remember their families in prayer as the holidays approach. The heart is often full of sorrow and pain with memories and great feelings of loss. Prayers today that God will fill the emptiness with His presence and this will be a holiday season to be remembered with peace and joy.
