www.lbcr@lbcr.org

Are you tired of flipping burgers, having a job that is constant repetition, wake up dreading going to work, or are 16 and older looking for work?

We have just the job for you!

We are looking for enthusiastic people who not only want to have fun at their job, get paid, have free food and lodging, but want to impact lives for Christ.

We need ropes course leaders, lifeguards, kitchen help, light house-keeping, and maintenance staff for the summer. We offer free training for all our positions.

We have lake front swimming, a private pond with inflatables, to play on, high and low ropes courses, fields and pavilions for sports, kayaking and canoeing, private housing for male and female staff, and making friendships that last a lifetime.

We love going to work! Why not join us this summer.
