## Adult Classes

### Modern Parables

Jesus used parables to teach the people of His day about the Kingdom of God. What might those same parables look like if Jesus taught them today? In this video/discussion class we'll view six of the parables of Jesus acted out in a contemporary setting. We'll ask ourselves (and one another) what important kingdom truths Jesus was communicating to the people of His day and, most importantly, what Jesus wants us to do in light of these parables.

**Leader:** Ron Horgan 669.7577

### Love and Respect

Whether you are single or married, in a great relationship or one that is struggling...come and learn how God intended marriage to be so you might enjoy it to the fullest. Cracking the communication code between men and women involves understanding one thing: that unconditional respect is as powerful for him as unconditional love is for her. It's a secret to marriage that every couple seeks. You will learn how to stop the Crazy Cycle of conflict and initiate the Energizing Cycle of Change then enjoy the Rewarded Cycle of new passion.
