Timber Ghost Realty-
Vern Anderson

Mike Schrage has been the wildlife biologist for the Fond du Lac Band of Lake Superior Chippewa since 1995 where he is expected to be the expert on everything from tribal treaty rights to moose biology to the proper care and handling of baby robins that have fallen out of the nest. **O mashkooz: Returning a Native** Omashkooz is the Ojibwe word for elk. Mike will talk about the history and ecology of elk in the eastern US and the process for restoring elk to northeast Minnesota.
