Join us for an evening of Praise
and Thanksgiving to our God!

Moose Lake Covenant Church

Our mission is to assist teens and adults in gaining freedom from chemical addictions and other life controlling problems by addressing their physical, emotional and spiritual needs.

Mn Adult & Teen Challenge offers effective and affordable programs throughout Minnesota with campuses in Minneapolis, Brainerd, Duluth, Rochester and Buffalo. We offer a variety of programs, allowing us to effectively serve individuals with a broad spectrum of addiction issues; from those seeking treatment for the first time, to those who have been struggling with addiction for many years.

In Duluth, we offer **short and long-term residential recovery programs to adult men**, as well as **outpatient programming to men and women in the community**.

Some men who complete the 30- to 90-day short-term program will go back to work, school or home, while others will transition into our **faith based long-term program** to continue working through their addictions and building skills they will need for a life of lasting recovery.

Our outpatient program allows us to provide services to women right here in the Northland, as well as to men who either do not need, or are unable to participate in a residential program.

The choir you are enjoying today is comprised of men who are in our **long-term program**; your prayers and gifts support this faith-based programing.
