

New Policy Effective 1/4/2016

Extra-Curricular Activities Academic Requirements

Successful workload management for student leaders does not require perfection. Yet, every student participating in an extra-curricular program is expected to maintain at least a 2.30 grade point average with no F's. Grades will be checked by the administrative staff. At the beginning of the season or time of service, initial eligibility will be based upon the last semester's report card grades. However, during the season or term of service, grade checks occur on the first Tuesday (school day) of the month. All academic and elective classes, even Running Start and classes taken at Moses Lake High School, are included in the grade check. If during the regular grade check procedure a teacher reports a grade as eligible and then determines it to be incorrect, he/she cannot come back and change that grade. The student would remain eligible until the next scheduled grade check.

Students becomes ineligible for leadership positions when their overall average falls below a 2.30 GPA, they have an F, or if they are placed on behavioral probation. To allow an ineligible student the opportunity to focus on self-improvement for long-term success without distraction, an ineligible student cannot compete in any interscholastic athletic competitions, leadership activities, or public performances of any kind. Furthermore, the student may not ride with the team or group to or from the competition, activity, or performance and may be asked to forgo practices.

Once deemed ineligible, a student will remain so for a week until the following Tuesday. At that time, there will be another grade check for the ineligible student. The student's status may be reclassified as eligible if they have met the above grade requirements, or the student will remain ineligible.
