

Moses Lake Christian Academy

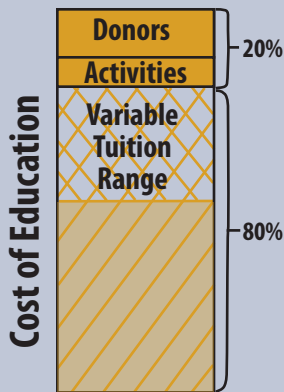

Think you can't afford a quality Christian Education?
Think again! – Variable Tuition makes it possible.

COMMITMENT TO QUALITY CHRISTIAN EDUCATION

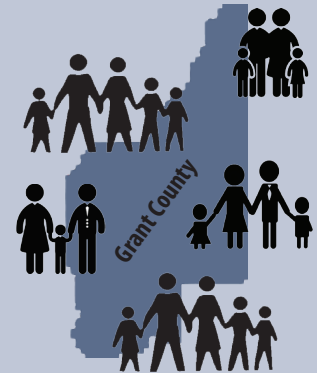

For over 40 years, Moses Lake Christian Academy has been committed to providing outstanding Christian education to families in the Grant County area. But this quality education has required a significant financial investment. We know that private education can be an expense that makes this quality education difficult for some families to access. At Moses Lake Christian Academy we are committed to granting access to as many families as possible.

NO ONE PAYS 100%

At Moses Lake Christian Academy, no student pays 100% of the cost of education. This is made possible due to our generous donors, income from renting our Event Center and supporting activities such as the Annual Auction and Crab Feed. Variable Tuition is designed to help provide access to high quality Christian education to more families in the Grant County area.

HOW VARIABLE TUITION WORKS

Variable Tuition will match your tuition base to your family's unique financial position. Rather than a one size fits all, tuition at Moses Lake Christian Academy is a range. Families interested in Variable Tuition simply submit a financial profile to a confidential third-party service online. Based on a recommendation to our administration, your variable tuition is confirmed. With Variable Tuition at Moses Lake Christian Academy, an excellent Christian education has never been more accessible.
