parent volunteers making food...again!

physics day at great america—calculated thrills

spring beach vespers—two fires, 120 students, senior farewells, whale cavorting

giving and receiving in the music department

giving...

At the Christmas concert the annual assistance offering, totaling nearly \$1000, was designated for the Middletown SDA Church, after the town was destroyed by a wildfire. Here is a portion of Pastor Ted Calkins' letter of thanks:

"[At the Camporee] when the Middletown Club passed by, they all wore T-shirts that said, 'We survived the Valley Fire.' We were told that the Middletown Pioneer campsite was the only

one that had all the brush, leaves, and anything combustible cleared down to the bare soil!

"Thank you for the offering you took to help these families get their kids back into full-dress uniform! You will never know how much your reaching out to our kids is appreciated...to be aware that others care was a big boost to those who lost everything and to our church family as you reached out to us!"

receiving...

Band member DeShawn Wallace had the privilege of playing a Bach Stradivarius trumpet this year thanks to a gift to MVA. Alicia Breen donated the trumpet to the music department from the estate of her deceased sister, Cynthia Lang-Stephens. A small plaque on the case will inform future trumpeters about the source of this gift, and remind them that when people give, others benefit in dramatic ways.
