Sam Ocampo—To Perform at MVA Homecoming

Sam Ocampo, MVA class member of 1976, was born in Peru. At age 14, he and his family moved from Peru to Mountain View, California. He is the oldest of four children; his dad was pastor of the Adventist Spanish church; his mom a nurse at Stanford children's hospital.

Sam is known widely in not only Adventist circles but in the music industry at large as a very talented pianist.

Award-winning producer, Michael Omartian, has been quoted as saying that Sam is the "Julio Iglesias of the piano."

Sam exhibited great musical talent early on and in his parents supported him by securing the best teachers available for him. Accordingly, Sam became a pupil of Adolph Baller, an internationally renowned artist and faculty member at Stanford University.

During Sam's junior year at MVA, Gordon de Leon and Jay Baldwin performed a Friday evening vespers program. At the conclusion of the performance, the duo proceeded to leave. Sam ran after them and asked if Gordon would consider giving Sam improvisation training. With classical training from maestro Baller and the training he received from Gordon, Sam developed a beautiful and unique musical expression in his music rarely seen in other artists.

Sam worked at the Pacific Press during the summers of his academy years. He went on to attend PUC for three years. Two year after

graduating MVA, he was asked by Max Mace (uncle to former MVA teacher and 1976 senior class sponsor, Rick Mace) to become the Heritage Singers' pianist. In 1979, Sam moved to Michigan, attended Andrews University and recorded his first album — Gently. It became an instant best-seller. Sam has produced more than ten albums.

In addition to his musical talent, Sam wanted to diversify his skill-set so he took a double major in college of music and chemistry. He later received a master's degree in business administration.

Sam has spent his non-music time working as a specialist in strategic marketing and plan-

ning in the healthcare industry. He has worked at Lakeland Regional Health System, Adventist Health and Sutter Health.

Sam has two children by his first wife and has been happily married to his second wife, Gwen Matthews, since 1999.

Currently, Sam is on a musical sabbatical and is recording at 3ABN and has performed a benefit concert for the Danny Pearl Foundation. We are very excited about the upcoming MVA Homecoming on April 8-9 because we will have the privilege of hearing Sam perform live. We have added a Friday vespers which will begin at 7:30 that will feature Sam's beautiful talent. We hope you will make it a priority to attend this special event.

Sam will perform for a special MVA Homecoming Vespers on April 8 at 7:30 p.m.

**Join us on
April 8-9, 2016
for our next

Graduation Weekend

Principal Report

by Jerry Corson

What an amazing start to this new school year! We prepared for this year with several significant summer projects including restroom and kitchen refurbishing, “popcorn” ceilings removed, classrooms painted and some new carpeting.

Enrollment started at 159, nine more than the previous school year.

A new event added this year was the all student school-wide retreat held on the campus of Pacific Union College, the second weekend of school. What began as an idea during a spring faculty meeting, blossomed into an event that built positive relationships between students in way that has been evident throughout the first quarter. The Friday through Sunday retreat was blessed with wonderful weather, superb worship services with Pastor Nathan Henderson and abundant team building activities planned by the teachers and staff. We have experienced an immediate benefit as seen in the stability and relationships of the students. Plans are already in the works to replicate the event for next school year.

Now that we have completed the first quarter of the school year, we continue to be blessed. Our two large vans have served us well for the past ten years but it is now time to replace them. With our currently stable enrollment and careful fiscal planning, we have now replaced both vans.

Thank you for your continued support of Mountain View Academy. Look for more exciting announcements and activities throughout the year.

For more information, visit us at mtnviewacademy.org. You will find newsletters, events calendar, alumni information and much more.

Alumni President Report

by Jayson Tsuchiya

For as long as I can remember, MVA alumni homecoming has always fallen on the second Sabbath of April. For those who missed this past alumni weekend, you can attend the next one on April 8-9, 2016.

Our alumni committee has already met and is busy putting together another great homecoming celebration. New for the upcoming reunion is the addition of a Friday evening vespers program. We are very excited to announce that Sam O’Campo from the class of 1976 will be the featured artist for the evening program. As many of you may already know, Sam is an accomplished pianist who has a rich repertoire of classical, sacred and secular masterpieces. Those who were at MVA during the 70s will remember the amazing talent Sam has.

We are also thrilled to have Coach Rick Mace join us to be our featured keynote speaker for the Sabbath worship hour. Coach Mace started as the boys P.E. coach and then later joined the religion department as a classroom instructor. Those from the class of 1976 will remember Coach Mace as being one of their class sponsors their graduating year.

If any of you would like to participate, we would love for you to share your talents. We are also looking for point people from each honor year to organize their individual class gatherings. Contact us via email at alumni@mtnviewacademy.org if you are interested in being a part of the program or would like to help coordinate your class’ get-together Saturday afternoon/evening.

We will do our best to keep you informed through our website (mtnviewacademy.org) and through Facebook on the Mountain View Academy Alumni page. Hope to see you all on April 8-9, 2016!

Do You Have Any News?
We want to hear from you! We would be happy to pass along your news to fellow alums. Email us your updates at alumni-@mtnviewacademy.org.

Obituaries

*J*ohn Cimino, Sr. passed away October 14, 2015. While not an alum or staff member, was a parent of alums. He was well known and loved for many years by decades of MVA alums. His family, including wife Wilma, often provided food for Alumni Sabbath and helped the Academy frequently. He is survived by his five children and twelve grandchildren.

*E*laine (Esry) Spotts, ’73, passed away on March 24, 2015. She worked at The Press for many years before moving to Nampa, Idaho. Elaine is survived by her daughters Kristi and Dawn.

*J*udy (Golden) Richmond, ’73, passed away October 7, 2015 after a long battle involving her liver and kidneys. In the mid ’90’s, Judy and her family moved to Silverdale Washington. She worked as a systems analyst implementing hospital charting systems. She had two grandsons. [Sorrow was expressed by classmates at the early passing of Judy as they shared their heartache in response to the post about her passing on the Mountain View Academy Alumni Facebook page.](#)

Planned Giving

What is it, why is it important, how does it help the school and how does it impact you?

What impact did Mountain View Academy have on your life? Did you meet your spouse here? Did your parents or children attend MVA?

Mountain View Academy has seen thousands of young people through it’s doors over its nearly 100 year history. Our alumni have gone on to be doctors, ministers, teachers, researchers, scientists and more—ministering in many parts of the globe.

MVA exists today in large part due to the generosity of generations of alumni and friends. These gifts have created the rich academic and spiritual environment enjoyed by today’s students.

The Adventist church has always had a strong commitment to education as evidenced by the nearly unparalleled school system that exists in nearly every country in the world.

Today it’s as important as ever that we provide a relevant, academic and spiritual environment for our young people. We are blessed each year with the generosity of our friends, families and alumni as gifts are made to fund Worthy Student scholarships and the annual mission trip.

Perhaps you give each year but wish you could do more. Planned giving offers alumni options for remembering MVA in unique ways that might be suited to individuals who wish to help ensure MVA’s long-term legacy.

How to Give a Gift of Stock to Mountain View Academy

Another option for giving is through gifts of stock. This may be an easier option for some and still provides the same great tax benefits.

1. If your shares are held in an account ask your broker to make an electronic transfer to MVA's Charles Schwab account #2930-3763. The DTC number is 0164, which is needed if the stock is currently in an account with any company other than Charles Schwab. Charles Schwab customer service can be reached at (800) 435-4000. Once the stock is transferred into the MVA account, we will receive notification of the transfer and a receipt will be sent to you. The effective date of the gift for this method is the date the shares are placed into the MVA account. As an alternative, if the stock is already in a Schwab account, you can visit your local office and complete a transfer of stock form and then have the trade made by your Schwab representative who can stamp the form with the current date and provide a copy to you.
2. If you hold the certificate for your shares you can sign the stock over to MVA by either endorsing the back of the certificate or by using a stock power which you can mail to the MVA office. Due to the nature of the document being mailed, we recommend that you send it via certified, registered, or express mail. When the gift is received, it will be liquidated within 30 days and a receipt will be mailed to you. The effective date of the gift for this method is the date of the postmark. If it is convenient, you can also bring it by the school office.
3. To complete the gift transaction, please advise Sara Baroro, MVA Business Manager, of the number of shares, the identity of the stock, and any parameters you intend for the use of the gift. We prefer that this be done in writing, although you or your broker may call Sara directly at [650-967-2324](tel:650-967-2324).

Below are just a few of the ways you can remember Mountain View Academy in your financial planning.

Bequest

A bequest is simply the act of designating MVA as the recipient of a specified portion of your estate.

Charitable Gift Annuity

A charitable gift annuity refers to when an individual transfers cash or property to MVA in exchange for the promise that Mountain View Academy will pay you a fixed income (with rates based on your age) for the rest of your life.

Charitable Unitrust

With a charitable unitrust, you transfer your cash or appreciated property to fund a charitable trust. The trust sells the property, tax free which will provide a percentage income that changes each year. You can also add to the trust.

Charitable Annuity Trust

You transfer your cash or appreciated property to fund a charitable trust. The trust sells your property tax free and provides you with fixed income for life or a term of years. You cannot add to the trust.

Charitable Lead Trust

You transfer your cash or property to fund a lead trust that makes gifts to us for a number of years. You receive a charitable deduction

for the gift. Your family receives the remainder at substantial tax savings.

Sale and Unitrust

If you give a portion of your property to us to fund a charitable remainder trust, when the entire property sells you receive cash and income for life.

Bargain Sale

We purchase your property for less than fair market value. You receive the cash and a charitable deduction for the difference between the market value and purchase price.

Give it Twice Trust

You may be looking for a way to provide your children with income while making a gift to MVA. The Give it Twice Trust is a popular option that allows you to transfer your IRA at death to a term of years unitrust.

Life Estate Reserved

You may desire to leave your home to us at your death, but would like to receive a current charitable tax deduction. A life estate reserved might offer the solution you need!

If any of these options seem like they might be a good fit, you may contact the Central California Conference, Planned Giving department at 1-888-424-5777 and let them know you are interesting in including MVA in your estate planning.

Homecoming Weekend 2016

In His Own Word—Former Teacher Mario Ruf

Article is paraphrased from a letter written by Mario Ruf to MVA

From the years of 1960-1964, I taught Spanish, freshman and junior Bible, world history and American history. Seeing I like

Mario Ruf, wife Fran and daughter Yvonne in 1964.

the violin, I also taught music and had string groups including Gary Jensen, '65 on violin. Some might remember Dale Rhodes who passed away recently, who also taught my first year at MVA.

The recent MVA mission trip to Peru reminded me of a trip my daughter wanted to make in 2013. My parents were missionaries in Puno from 1935-1939 and in Lima from 1940-1944. I grew up from the age of five until 15 with my parents in Peru. I spent 1954 in Lima in college, one school year (1955-1956) in Chiclayo in northern

Peru then finished school in Miraflores, a suburb of Pero from 1956-1959.

The article in the Alumni Newsletter about the trip to Peru mentioned an excursion to Machu Picchu. My folks drove a 1929 Model A Ford in 1937 from Puno to Cusco and took a train from there to the base of Machu Picchu.

We had to then walk for nearly three hours to reach the ruins. When we reached the top no one else was there except the two or three missionary families that took the trip together. It seemed abandoned.

In 1958, my wife Fran and I took our daughter Yvonne and we drove from Lima to Cusco in a 1939 Mercury. It was an 800 mile trip that took parts of three days due to the poor roads. Going to Machu Picchu was improved as we

A copy of the map Mario Ruf purchased in the 1950s at a Peruvian gas station. Circles and lines indicate route traveled by Ruf to Machu Picchu.

were able to ride in pickups with benches in the back. When we reached the ruins, there were perhaps 100 other visitors.

In 2013, my daughter and I rode a bus up to Machu Picchu. I didn’t try to count but there must have been a thousand or more visitors. Seventy six years from 1937 when I first visited

the ruins until 2013, when I lasted saws Machu Picchu – very big changes!

The church I pastored in Miraflores from 1956-1959 had 200 plus members. In 2013 the same church had over 2,000 members. The church is

really on fire. The Holy Spirit is moving.

I’m retired and am 86 years old. I’ve taught and pastored. Teaching and administrating are hard work.

God bless the wonderful people that give our youth a great foundation!

Norman C. Morris, MVA teacher during the mid 1960s, was born in Pasadena California September 21, 1928. He died peacefully in his sleep on August 5,

2015. Norman worked for the Seventh-day Adventist church for over 60 years as a teacher, principal and pastor. He is survived by his 2nd wife Muriel Morris, his 3 children, Steve (Sharon) Morris, Sharan (Mike) Murray, and Carol (Steve) Davis. He also has seven grandchildren, and 11 great grandchildren. (Contributed by Harvey Brenneise on the MVA Alumni FB page.)

A former MVA student of Mr. Morris’—Charles Pereyra-Suarez—shared his memories on the Mountain View Academy Alumni Facebook page. “My junior year at MVA ,

Mr. Morris asked every member of his American History class to write a paper on 1965 voting rights problems in the South and the role of the U.S. Justice Department Civil Rights Division in addressing these problems. An inspiring teacher, Mr. Morris influenced me to join the Civil Rights Division years later and to handle civil rights cases in the South and other areas of the country. Thank you, Mr. Morris, for the important role you played in my life. May you rest in peace.”

Dale Rhodes, former faculty, passed away on July 9th. Rhodes taught music and Bible from 1956-1961. MVA was his first job out of college and went on to have an

illustrious musical career. Many alumni posted their condolences on the MVA Alumni Facebook page as they remembered the impact he had on their lives.

Roy Sprague, '65, passed away in September. A memorial service was held at Mountain View Central church on October 18. Many kind words were expressed by friends and alumni in their remembrances of Roy on the MVA Alumni Facebook page.

Lucille Thompson with Alumni President Jayson Tsuchiya at last MVA Homecoming.

Lucille (Walter) Thompson, '45, beloved Miramonte School teacher passed away September 19. Ms. Thompson attended her 70th MVA reunion in April.

Patrice Anderson Fra-tianni said, “She was my very favorite elementary teacher, first and second grade when Miramonte was at the Press. (Quote posted on MVA Alumni Facebook page. Share your memories too.)

Mountain View Academy Donors for 2014-2015

Below is a list of individuals who generously gave financial contributions over the 2014-2015 school year. Gifts were directed to the Worthy Student Fund, Peru Mission Trip, Golf Tournament, Kitchen Renovation, Classes, Senior Class Trip, Building Projects, Staff Housing, Music Department, Science Department, Operating, Frances Cyphers Scholarship, Rita Hoshino Memorial, Plant Maintenance and Celebration in Sound. We thank everyone for the contributions last year!

A total of \$108,159.21 was raised last year—of that, \$54,368.25 was for the Peru Mission Trip and \$19,372.92 was for Worthy Student.

Thank you for the amazing support you have shown towards MVA! The students have benefitted greatly because of your generosity!
