

# HERO

*precious than gold*

***What do you think about the Bible?***

***Is it important to you?***

***Do you believe that it is God's Word?***

***Do you read it regularly?***

At this conference, we want to persuade you that your Bible is worth more than any other possession you own. We believe that the Bible is of infinite worth, because it reveals the greatness of Jesus Christ, and in it we hear the very voice of God! Join us as we explore the origins, purpose, and right use of the Bible, with the goal that we will all view our Bibles as more precious than gold.
