Children's Area & Youth Workers Background Checks

If you are working with children or youth (newborn-grade 12), or if you ever plan to, we need to get background checks completed. If you volunteer in this area, be watching for a reminder email from Protect My Ministry regarding online training and a secure background check form. This form supplies information directly to the company that completes our checks, and not to anyone else. Your personal information is then kept secure by Protect My Ministry, and we are only alerted when something suspicious shows up. If you haven't had a chance to complete this form, there is a station set up **TODAY** in the Children's area, to help with this process. All background checks need to be completed by the beginning of August, so time is of the essence. If you have any questions, please see Dave Horn (Sr) or any of the elders.
