****I certify that the above information is correct.**

Name of Activity Leader/Parent _____

Signature of Leader/Parent _____

Students must complete a total of 48 hours of Christian service to graduate. Christian service may include everything from working in your local church to volunteering in the community. Christian service forms must be filled out to track a student's hours of service and are available on the school website or in the school office. This requirement will be prorated based on the student's years of attendance in high school at MCCA.

*Any student who has earned at least 100 hours of Christian service will receive a white cord at graduation, this also will be prorated during the implementation process of the Christian service requirement.
