Info Direct is now partially available. The message center and grades are working; however, teachers are still in the process of getting all grades online. Homework is still not available at this time. We will let you know when everything is working properly. If we have a current email address, you should have received an email today with your user ID and passwords. Thank you for your patience.

Annual BBQ sale on Friday, October 7

This year we will be selling Chicken plates only. We implore all of our parents to get behind this project and help us make it one of our greatest sales. If you would be willing to come out and help on that day, give us a call at 747-8111. Tickets are now available through the school office.

Our annual Fall Festival will be held on Friday, Oct. 14. Once again we would encourage all of our parents to get involved with this great fundraising event. A letter has already been sent home with details and many suggestions to help make our Festival a huge success. We realize that many of our parents are already working hard to solicit items for the auction or tables. Thank you in advance for everything you do for MCCA!
