## Box Tops For Education Campaign

The results of our Box Tops Campaign that ended in May are as follows: Breanna Stroud turned in the most Box Tops totaling 1585 and received \$25. Sarah Sugg's name was drawn and she also received \$25.

A new school year has begun and once again we will begin a new Box Tops Campaign. For every 10 box tops turned in throughout the school year, the student's name is placed in a box. At the end of the current school year we will be drawing for another name. So, get busy and start turning in those box tops. Make sure to check the expiration date. *Thank you* parents for clipping and trimming those Box Tops!

\*\*We will be running a contest between September 1 and December 1 to see which class can turn in the most Box Tops (based on an average). The winning class will receive an ice cream party in December.
