

WEEKLY WARRIOR

A weekly publication of Mt. Calvary Christian Academy
September 11, 2017

As we reflect back on 9/11, let us remember the many families that lost loved ones. Our country has experienced many tragedies whether from attacks, floods, tornadoes, fires, and hurricanes over the years. We must remember that even though we don't understand the WHY, that God is still in control of the universe. Let's put our faith and trust in him to help us when these events come. Let us continue to pray for our country and the many people that are now experiencing the continuing fires or hurricanes and the devastation that it brings.
