In Case of Inclement Weather

MCCA has a call system (SchoolCast) that is used if school needs to be closed or delayed because of weather or other reasons. It is important that we have on file correct phone numbers for each family. Please contact the school office or send in phone numbers, especially if they have changed recently.

Another system we use for all our academics, grading, etc. is (MySchool(Worx))
Again, we need a working email for each family in order to communicate grades, etc. Please contact the school office with this information. Thank you!
