Look over the following questions and be prepared to discuss them with your group.

Scripture Text: Deuteronomy 6:4-9, Joshua 24:15, 1 Kings 1:6

Discussion with each other

1. What do you remember most about your teenage years? Were they good or bad years?

2. Think back to your relationship with your parents during those years. How was it?

3. If you could go back and give your parents any advice about raising teenagers, what advice would you give them?

Discussion about God's Word

4. Read Joshua 24:15. What do you think a household looks like that serves the Lord?

5. If you’re currently raising a teenager, what is the toughest part for you? If you’re not currently raising teenagers, what do you think will be the toughest part?

6. During the message, Jason talked about the process of infusing God into our kids. Read Deuteronomy 6:4-9 and list out the practical ways a parent can do this.

7. What do you think are some of the words that every teenager needs to hear from their parents? What are some words they need to hear from other spiritual influences in their life?

8. How do you think our church can help influence the next generation of students?
