

# THE BLESSING <sup>PLUS</sup>

**Saturday, July 28, 2018**  
**@ 6:00 PM**  
**Murrysville Alliance Church**

For several years, we have been asked to consider doing an additional church service sometime during the riding season for all of you bikers/motorcyclists and your families. Kind of like a refueling station along the way!

We are calling it "*The Blessing Plus*"! It is not in place of "*The Blessing of the Bikes*", but in addition to. It will be a time for some great music, fellowship, a spiritual boost, or just trying to get in touch with what God may have for you!

Invite some of your friends and do an ice cream run afterwards!

Check out our website, [www.murrysvillealliancechurch.org](http://www.murrysvillealliancechurch.org), or give us a call for more information at 724-327-7206.

Be safe, enjoy the ride, and hope to see you along the way!
