Announcements

Welcome to Muskegon SDA Church. We pray that all will receive a blessing as we worship together.

For those that would like a copy of the sermon, we ask you to please wait *in the lobby* and pick them up when they are brought out to the Resource Desk. There will be plenty of copies for everyone. This will reduce the gathering around the AV booth and both make it easier for the attendant to make copies and well as maintain more reverence in the sanctuary for those meeting in front for prayer. Thank you for your cooperation.

The new Visitation/Cards/Calls/Prayers list is now available at the Resource Desk. Please pick one up before you leave today.

Directory Update: Laurie Zavitz, Eisenhower Center, 3200 East Eisenhower Parkway, Ann Arbor, MI 48108. Please show Laurie your love in Christ by sending him a card to show you care.

The Strong Tower Radio February Program Schedule is now posted on www.StrongTowerRadio.org

We are sending Dan Frein on a mission trip to India again February 19 for two weeks. As of last week a total of \$9,067.19 has been donated. Any amount over the projected amount of \$9,000 will help cover travel expenses, unexpected costs, or buy Bibles for India. Thank you to all that have donated to our world mission effort.

Shelby SDA Supper Club is February 19 at 6:00 pm. This month we will be having a vegetarian heart smart supper, followed by a video called *The Engine 2 Kitchen Rescue* by Rip Esselstyn. He teaches 2 families the basics of a whole food, plant based diet, which also includes a pantry do-over and a trip to the grocery store. There is no charge. If you have any questions please call Sandy Hazlett @ 231-861-8349 or text Sharon Mills at (616)443-4070.

Church Budget

Church Budget monthly goal:	\$8,000
Church Budget received in January:	\$5,692

Our Church Budget goal is \$8,000 per month for 2018. With our furnace loan and Unlock Revelation paid off and the money raised for the India Mission trip, this should be a realistic goal. The budget increase will help provide funds for future outreach projects as well as some long overdue repairs and upgrades.
