

Dear parents of our Tiny Treasures:

Here are a few things we wanted you to know for the summer at NAC.

Equip

Tiny Treasures will be open for business:) We know it can be challenging for young families to get out to church on Sundays and also hard on our smallest attenders to remain in the service. We want to provide child care for them every weekend throughout the summer to make things a little bit easier for you:)

If you do not already know Heather, I would love to introduce you to Heather Asbury. I have attached her picture so that you will know who she is. She has been a faithful youth leader at ROCK and a much appreciated contributor to our worship teams here at NAC for a few years now. I have worked with Heather and she is ready and capable to help us in Tiny Treasures this summer. I think it will be great! We have put together a volunteer schedule to work with Heather, but if we have a lot of children, we may need some parent assistance.

There will be a program for the older children as well every Sunday except June 29, August 3 and August 31, which are the holiday weekends. We will modify the service accordingly and invite the older children to be part of the celebration service on those weeks. We think this will make coming to church even more special this summer.

There is a new "Thrive" magazine from Focus on the Family available at the Desk if you are interested and there are free bowling coupons for kids at Gateway Lanes in Aurora. You can pick them up when you sign in your children.

We hope you have a great summer enjoying your family and some time off together. Our celebration service theme in July will be encouraging us to take time to "recharge our batteries" and provide us with strategies on how to do that:) Hope to see you around!

Blessings,
Kris
