

Press Release

Jeff Coney joins Nanjee Advisory Board

February 1, 2015

Jeff Coney has joined the Advisory Board of Nanjee, Inc. Jeff brings a breadth of experience to Nanjee. He serves as Director of Economic Development at Northwestern University, a position he was appointed to in September, 2007. He is also a member of the management team of the Innovation and New Ventures Office (INVO). His responsibilities include selected intellectual property and license management, marketing and business development for INVO. Coney joined Northwestern in 2000 as Director of New Business Initiatives.

Prior to joining the University, Jeff spent 14 years as a software entrepreneur. He co-founded Facility Management Systems, Inc., a local software company, which was sold to a publicly traded company. He has also had prior employment with Arthur Andersen, Metropolitan Structures and The City of Chicago

Jeff has a Bachelor's and MBA degree from Northwestern University and is a CPA.

Nanee Inc's mission is to be the recognized leader of IP geolocation technology by broadly implementing its pioneering real-time, hyper local consumer-independent IP geolocation technology on a global basis.

History

Nanee Inc. is an internet based company founded in 2011 with offices in Chicago and London. The firm has developed a hyper local consumer-independent IP geolocation technology with a unique real time IP geolocation feature that is 50 times more accurate than any competitive approach. It is served through cloud based, low-cost, scalable API and File processing web services. The technology applications are unlimited.
