"The prayer of a righteous person is powerful and effective." James 5:16

Creating church leaders is what NC is all about. One of the ways we do that is through our Week of Ministry, **April 24-May 2, 2015**. Campus will be closed and all faculty and students will participate in short-term ministry trips intended to test the theories of the classroom in real life ministry environments.

Students who join the **Papillion, Nebraska Team** will be guided by the senior minister of Wildewood Christian Church, spending time learning about and experiencing prayer for the needs of the church and community, and organizing prayer events. Students will find this to be a spiritually significant experience that will serve the church and help them grow in their own practice of the discipline of prayer. The trip will include a unique opportunity to pray with the brothers of New Melleray Abbey, a monastery in Iowa.
