Sunday Evening Studies

BECOMING DISCIPLES THROUGH BIBLE STUDY is the foundation of the DISCIPLE Bible Study program. This study recognizes the human-divine nature of the Bible: The actual texts of Scripture were written by human beings like ourselves in their cultural settings, under the divine inspiration of God.

JESUS IN THE GOSPELS invites believers to look at Jesus in each of the four Gospels and ask the question, "Who is the Jesus that you see?" This study will deepen discipleship through better understanding of the biblical texts and their message. Two questions frame this study: "Who is the Jesus you bring with you to this study?" and "Who is the Jesus you take with you from this study?" JESUS IN THE GOSPELS takes participants on a journey from one question to the other.
