

NEW DAY CHURCH SBC
A SIMPLE CHURCH IN A COMPLEX WORLD

MAKE IT COUNT!

The Roman Empire had a unique perspective on the New Year. The month of January is named after their Roman god *Janus*, who was pictured as a man with two faces, one looking backward and the other forward. New Year's Day provides a valuable time to ponder the past while anticipating the future. We should ponder what has transpired in our lives and learn from it. The most important part for us as the body of Christ is to strive to grow and increase our commitment in this New Year of 2013.

The Bible reminds, *"Wake up, O sleeper, rise from the dead, and Christ will shine on you. Be very careful, then, how you live—not as unwise but as wise, make the most of every opportunity, because the days are evil" (Ephesians 5:14-15)*. I really like how the NKJV translates that last part of this passage. It reads, *"See then that you walk circumspectly, not as fools but as wise, redeeming the time because the days are evil" (v. 15)*. God has given us the gift of time. Let's use it wisely for Him in 2013!

An anonymous poet wrote a wise word, simply called *Time*.

*When I was a child, I laughed and wept, Time crept;
When as a youth, I dreamed and talked, Time walked;
When I became a full grown man, Time ran;
When older still I daily grew, Time flew;
Soon I shall be traveling on, Time gone.*

Three Questions For You: (1) How much of this year will I personally commit to prayer and studying God's Word to ensure my own spiritual growth (Loving God)? (2) What will I do for others this year that requires personal sacrifice and ministry to them (Loving People)? (3) What person(s) will I attempt to build a relationship with, so that I might share the gospel with them (Living Our Mission)?
