Conference Sessions

Equipping Workshops:

ASSESSING FOR KINGDOM IMPACT- Dr. Tim Roehl

This workshop will examine the keys to helping your leaders and church or ministry to “fit and flourish” for maximum missional ministry on your mission field. We’ll look at the tools and practical processes for assessing leaders, churches and communities.

SPIRIT-DIRECTED LEADERSHIP- Dr. George Westlake

God establishes strong works of ministry by appointing and anointing a leader. He imparts a vision to lead the people of God to do the works of God. This workshop addresses how to receive and implement a God-birthed vision, as well as how to build a spiritual ministry culture, lead with faith, trust your anointing and empower others toward their Kingdom destinies.

ENCOUNTERING THE SPIRIT OF PROPHECY-

Michael Sullivant

Hearing directly from God and speaking on God's behalf by the Holy Spirit's miraculous grace is basic to the calling of a Spirit-empowered believer and to the mission of the Church of Jesus Christ. The gift of prophecy is given to lift up, build up and cheer up the Body of Christ. You will receive a profound and simple theological/practical framework for promoting the experience of healthy prophetic ministry along with some inspiring and compelling biblical accounts of prophetic power.

There will be worship and ministry services at 7pm on Thursday and Friday evenings.
