On June 18th after second service our High School students will be loading up in the van and heading for Grayson Kentucky. What's there you ask? A great conference called Summer in the Son. Never heard of it? Well, allow me to fill you in.

For three decades Summer In The Son has been a catalyst for change in the lives of tens of thousands of students. Some come for the powerful experiential worship environment, others for the in-your-face teaching from some of the best in the country. Mix in tremendous

youth group building experiences and some of the best Christian artists, musicians, and comedians around and you have Summer in the Son.

This year's theme is "Voices" and here is how the Summer in the Son staff describe it.

*In a world that is full of constant noise. How are we as followers of Jesus supposed to hear His voice? The hope of SITS this year is to create a space where can quiet our lives and begin to listen. Join us this summer as we learn what it means to hear from God in a noisy world.*

Interested yet? The cost for the trip is \$225 and we have plenty of spots left. This trip is open to rising freshman through graduating seniors. To old to go? Well, we are looking for prayer partners as well as financial partners. Log on to the HUB to sign up or see Jason Summey today.

Blessings  
-Jason Summey-

**Barry's  
Briefs  
~  
Barry

It's been a couple of weeks since Easter weekend, but I wanted to take the time to tell everybody - "GREAT JOB!" We had 694 in our three services, which is tremendous. But it takes a ton of people working together to make it happen. We had parking lot people, greeters, ushers, servers, people who provided breakfast, people in the courtyard, children's ministry volunteers, praise and worship band, tech team, and lots and lots of others who did a spectacular job of welcoming people and making the weekend great. Thanks for serving. God is honored by those efforts.

Also, like my family, a number of our folks took some time to get away for Spring Break. We extended our vacation an extra day and missed worship on

Sunday, but I heard that Jason did a great job preaching and that Ryan and the worship band did a great job leading. I don't know about you, but being on vacation, to me, seems like a little snapshot of heaven. So while it's good to be home and back in our own beds and back in a routine, there's a part of me (and maybe you too) that really enjoys a "rest from our labors."

Jason started our new message series on the Fruit of the Spirit and we hope you will join us this Sunday as we talk about "JOY." We will follow up with peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.

See you Sunday.

His,  
Barry

What a Spring it has been! We hope everyone enjoyed our Easter Eggstravaganza. Thank you to EVERYONE who served in this event to make it such a success! With May's arrival, we are turning up the dial on Wednesday night's and will be having a month dedicated to serving. May has 5 Wednesday night's, which will give our students ample time to learn what it is to have a servant's heart and to serve others. You will find your students making cards of encouragement and gratitude for our Armed Forces, Vets and missionaries. We will be making blessing bags for the homeless and placemats for Meals on Wheels. Additionally, your child will be bringing home a baby bottle from the Blue Ridge Women's Center. We are raising money to support women making hard decisions about their pregnancy. Miracles can happen and we are overjoyed to be a part of this campaign of encouragement and love! Our children will be involved with other activities as well, but if you have an idea you would like to

share with me, please contact me at [amanda@newhoperoanoke.com](mailto:amanda@newhoperoanoke.com).

Our downtown students will be serving the church body and performing on Mother's Day, May 14<sup>th</sup>. Be sure to mark your calendars and invite the family for a special song from them.

As summer approaches next month, we will have Promotion Sunday on June 4<sup>th</sup>. This is when rising Kindergarteners and up will move to the next classroom for Sunday and Wednesday nights. There will be a special breakfast upstairs just for these children on that day, along with a Sunday celebration. It's going to be a fun day!

We will be continuing children's programming through the summer on Wednesday night's. Dinner will be provided as well on Wednesday's just as it is during the school year. We are fired up to keep building our kids faith all year long! With continued programming comes continued need. If you are interested in serving our children this summer, please contact me immediately. I have a specific need on Wednesday nights in the

2/3 year-old class room, as well as in the PHASE (4<sup>th</sup> and 5<sup>th</sup> grade classroom).

Lastly, I'm VERY ecstatic about our upcoming Ladies Zip Lining Trip on May 14<sup>th</sup>. This is a day trip to Asheboro, NC and back, and will be full of fun and fellowship! Wanting to get to know people in the church? This is a great way to get connected. We've already got a good group signed up, and we hope you will join us. We will leave New Hope at 8:30am and return that evening. The cost is \$30 and includes your transportation and ticket.

We are excited to see what all the Lord will be doing in our children's ministry the next few months. Thank you for your support and prayers for our children and leadership team.

Always His,  
Amanda Hall

I have had a great first month working alongside Amanda with the children here at New Hope. I know many of you and your children already, but I have loved having the opportunity to meet some new families too.

I have been a member at New Hope for about 17 years. My husband Coy and I have been married for 17 years this month and we have 3 sons, Nathan (11), Andrew (8), and Tyler (3).

If you would like to contact me, my email is [cortnie@newhoperoanoke.com](mailto:cortnie@newhoperoanoke.com).

If you are on Facebook, join our group (New Hope Children's Ministry) as a way to stay connected in addition to emails we send out. I am excited to see what God has in store for our

children here at New Hope and I feel so blessed to be a part of this children's ministry!
