## A BIT ABOUT OUR TEACHERS

**Joe Rhodes** is the Senior and founding pastor of New Hope Church. Personable and down to earth, Joe prefers to teach in an interactive style that draws everyone in. The principles taught in these modules have had a powerful and life changing impact on him personally and therefore he finds great joy in sharing them with others. He and his wife, Tricia, have two sons and four grandchildren here in the San Diego area.

**Ken Gowen** uses humorous, yet refreshingly transparent style to communicate his passion to see people freely walk in God's original design and destiny for their lives. He and his wife, Barbara, have three adult children and five grandsons all living in the San Diego area. Ken and Barb's favorite activities are to serve Jesus and hang out with their family!

**Tricia Rhodes**, a writer and teacher, has played a significant role in formulating the Jesus' ministry materials. She shares from her heart as a woman God has touched deeply with His grace. Tricia enjoys ministering at New Hope and at the Miramar Naval Consolidated Brig, where she teaches and mentors women. Currently she is attending the University of San Diego as a doctoral student.

**Chuck Mueller** loves Scripture and has made the study of it his life's passion. As coordinator of the Jesus' ministry prayer teams, Chuck is often called upon not only to pray for others, but to help guide the process. His eager teaching style reflects the depths with which he has been transformed through Jesus' ministry. Chuck has three sons and five grandchildren, which may explain why you can often find him helping out in the nursery at New Hope.

**Doug Shanep** and his wife Sheri were radically impacted by Jesus' ministry a few years ago, and have since become a part of the New Hope body. Doug shares his own personal experiences with poignancy and depth, and his passion for God's Word brings a breadth to his teaching. They have two adult sons and a brand new granddaughter.
