

WHAT IS JESUS MINISTRY

As believers, we have the distinct honor and privilege of continuing Jesus' ministry. His ministry is fearless, bold, powerful, and ultimately revolutionary. But looking at the Church at large we often find these components to be missing. What a joy it would be to see the Church live in the power and compassion she was destined for!

The power of Jesus is the power to restore our lives, our families and our communities!

WHAT TO EXPECT

Not only will we learn what it means to be a Christ-follower in today's world, but we will have numerous opportunities to go after those things that hold us back from living with joy and power for the kingdom of God. Together, we will practice first hand the tools we need in order to continue aggressively pursuing our personal restoration so that we can live out the life and ministry of Jesus in our home and community.

You won't leave the same!
