

30 Days of Healing Prayer

by Chuck and Joyce Baldwin

Our outlook on life is often influenced by how healthy we feel in the moment. May we turn to our loving God and His comfort, strength, inspiration, and healing in our times of need.

The Bible is God's way of communicating His promises and His comfort to us. Be encouraged to find and read each daily Scripture passage in your own Bible. Each day's prayer is written to help jump-start your own prayers for healing.

May God act powerfully to bring you wholeness in your mind, body, and spirit.

What is The Healing Place? More than a "what" or a "where," The Healing Place is a "who." It's a community of "wounded healers" who have and are presently walking through challenges in their lives. This growing group of Christ-followers gather each Sunday morning at 11 AM, at The Healing Place Room at the top of the stairs. As they meet together, they share their stories, their triumphs, their defeats, their joys and their concerns. Turning to the Scriptures and prayer, they lovingly care for all who participate. Those who have been a part of The Healing Place find healing of heart, mind & body as they walk week to week with their brothers & sisters in Christ. And there's always room for one more friend...
