

## **Continuing Commitment Card for *City on a Hill*—*Rolling Debt into Budget***

**Thank you in advance!** It's amazing what we can do for God when we stand shoulder-to-shoulder. Together we make commitments, and together we celebrate victories.

**Above & Beyond.** Our pledge for *City on a Hill* is above and beyond our weekly tithes and offerings. We are helping *decrease debt* and *increase general budget*.

**Every Year.** We're making pledges through 2021, but every year in May we will revisit & reevaluate our pledges, and recommit for the duration of our Campaign.
