"A shivering 15-year-old, Biljana Nikolić, stood shielding her one-month-old on a street corner in Serbia as a fierce thunderstorm whipped through town.

Biljana leaned against a house to steady herself against the wind. She was fleeing her abusive second husband, and this, less than a year after running away from her first husband, a man her mother forced her to marry. She watched her baby struggle to breathe, and remembered a song her aunt taught her when she was 9: *I have a phone that goes up into the sky, when I have problems I can call Jesus.*

"God, I know you are here and that you gave me this child," she muttered, "but I don't know what to do with him. If you want, take him."

Just then, a Serbian woman opened the door of the house Biljana was leaning against. She urged Biljana to come inside. It was the first of a long string of answers to prayer that would change her life."

Today she is back with her first husband and together they are reaching out to the people of Croatia with the love of Jesus. It all started with a desperate prayer on a cold street. Sometimes we wonder if God is even available or really listening to our cries, but He is. David said, "But in my distress I cried out to the Lord; yes, I prayed to my God for help. He heard me from his sanctuary," (Psalm 18:6). No matter where we find ourselves, we can call on the Lord who hears & answers the sincere and desperate prayer. Why not call on Jesus today... the line is open.

Kids and families from New Life Assembly get ready to make a special delivery for Mothers Day.

For Mother's Day this year, Mr. Kim from the dollar store in town had the idea to bless all the moms in Meadowview. He asked to partner with the kids from NLA to deliver flowers to every lady. Mr. Kim generously donated all the flowers and our kids and families delivered flowers and smiles to over 130 ladies.

From Pastor Roy Hyde...

Thank you to all that helped send our teens to Overflow Youth Convention. Eighteen students and five leaders spent the weekend of May 17-19 in Waterloo, Ontario, worshipping with 3000 other students. I only wish every adult could be there to see the impact God had on our youth group. We throw around the phrase "life changing" often, but I would dare say that this weekend was "life changing" for more than a few of our teens. Please continue to pray that the fire God started in our teens souls continues to burn strong.
