## High gas prices, taxes, bad investment returns,

long lines, not getting the best bang for our buck, relationships, pets ruining our carpets... these are a few things people like to complain about. I really have to believe as I listen to people, that most are not intentionally trying to be critical; I like to see the glass half full myself and give people the benefit of the doubt. The reality is that if we are not intentional about being positive and thankful, it's quite easy to get caught up in the rut of "complaining" and not realize the abundance we have as people and especially as believers.

After all... how many times do we hear about someone giving their life for our punishment? How many times do we hear about someone taking our guilt upon themselves and letting us go free? How many times does someone offer us eternity in Heaven and actually mean it? We have so much to be thankful for! Our sins have been forgiven; our promises are eternal; our King loves us unconditionally. In fact, we are new creations... Jesus took our old nature and gave us a new one!

2 Corinthians 5:17 says, "Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come!"

The old has gone! Stop for a moment and think about where we would be if Christ had not saved us! Because we are new creations... all of Heaven with all of the promises are for you and me! We are brand new because of Christ! Because we are brand new... let's look at life and the world that way... Be intentional about thanksgiving and being positive! You have been made brand new!

- Rev. Darryl Price

STUDENTS LIVING A MISSION

As the SLAM Kids season comes to an end on May 8th, I would like to send out a heart-felt thank you to the group of leaders (adults and youth) that have helped to make this year a success. I believe that we have laid down a foundation in Jesus that will have impact far beyond what we will ever see. It has been a great honor serving with Deb and Kaitlyn Bezanson, Joelle Abernethy, Grant and Rachel Purdy, Chrissy Hollingsworth, Zach Herd, Robert Hart, Emily Laker, Pastor Mike and Dominic Cosco and Riley Bryce. Your dedication and love for the students has made Wednesday nights for the past nine months memorable. Thank you, thank you, thank you!

- Pastor Roy Hyde

Senior High Youth Ministry

We are pumped and overflowing with excitement for Overflow. Overflow takes place in Waterloo on May 17-19 and is our annual youth convention. This year, 17 students and five leaders will be headed off for three days of God's Word, incredible worship, sleepless nights and a years worth of fun. We want to thank anyone who has purchased baked goods during Coffee Connect to help offset the cost for the trip. You can still help by getting your car washed after the 11 am service on Sunday May, 5th or donate to the office marked "Overflow Youth". - Pastor Roy Hyde
