WHAT WILL WE BE DOING

We'll fly in to San Jose, Costa Rica. Transportation, leadership, food and lodging will be provided by Reign Ministries. Jeff Bell will be our guide leader. Jeff was a youth pastor for 17 years before joining Reign Ministries 12 years ago. He will meet us in San Jose with transportation to take us up to the village we will be staying. We will be staying at a local church that will also be providing meals. Jeff will guide us in several activities. You'll work alongside Pastor Alfonso and his church in the village of Cachi, hanging out with students and visiting the surrounding villages, developing real relationships with them. You're going to find the people that we are serving friendly and ready to talk. You will use friendships and cold turkey evangelism to reach out in the surrounding towns. Do you like soccer? You can also choose to play soccer matches with villagers during the week and highly competitive, fast-play, futbol tournaments on the weekends. We will have daily teachings, quiet times and debriefing times.
