Kisumu, Kenya, Africa

Rev. Maryllis Hughes

Ministry Focus:

To bring the heart of a **"Mother's Love"** to the HIV/AIDS orphans and widows of Kisumu, Kenya, through training and education. This project targets women and children, the most vulnerable group, and aids in assisting the feeding and maintenance of children in several local orphanages. It also helps children with medical assistance, guidance and counseling and provides Pastoral links with churches in forming spiritual bonds and missions support. Rev. Maryllis Hughes is the Executive Coordinator. Dr. Ruby Sokwala is the Kisumu Coordinator. Both women have worked together as friends and partners over a fourteen year period to combat the current devastation of the HIV/AIDS crisis through education, medical help and spiritual encouragement. Dr. Sokwala is a respected physician in Kisumu, a member and past chairman of Kenya Medical Association and on the Board of several local orphanages. Rev. Hughes is the former Education Secretary for 200 ACK Church Sponsored Schools, a Pastor at St. Stephen's Cathedral, and former Lecturer at Daystar University in Missiology and Communications in Kenya. **"Mothers Love Project"** has 3 part-time pastoral staff that assists the project.
